

Greetings!

Welcome to the Oxnard Post 48 – American Legion Web Page. Thank you for visiting us via this electronic mode. Post 48 occupies the left corner of a building at 2101 Auto Center Drive, Suite 150 with the cross street being Los Olivos Street. It is behind Costco.

Interior construction at the post is an ongoing process. To become fully operational with regular hours is a forward goal for the near future, it is a commitment we hold for our membership and the community. We maintain an American Legion business outreach through participation in Veterans assistance, community programs and memberships – new, renewals and transfers.

Currently, we are only open during Post events and for our regularly scheduled meetings. For a list of events and meetings please check our web site's calendar. If you find something you would like to participate in, please feel free to come on down and join the crowd. For members who wish to have an approved event added, follow the easy menu directions in the tutorial.

The web page is intended to be a resource page for our membership and for those wanting information on our Post or the American Legion as a whole. It is not intended to be a news letter of current events and happenings. We publish a free monthly Newsletter called the "Sound Off". Our newsletter more closely chronicles what is happening with the post on a monthly basis. Please note that the calendar is updated regularly and reflects the most up-to-date information. You can subscribe electronically through mail chimp to start receiving your free on-line version. For updates, checkout our monthly Sound Off Newsletter.

On Mondays, except holidays, I hold a Commanders Call from 11:00 to 1:00pm at the post. Please feel free to drop in and discuss business, check out the work progress or just say hello.

Oxnard Post 48 - American Legion is the original Post established within Ventura County. It was originally called Ventura County Post 48 and was established in September of 1919. Soon Post 48 will celebrate its' centennial, 100 years of service to Veterans and the community. Post 48 is one of seven other posts in Ventura County, which are part of the 16th District. The 16th District is comprised of nineteen Posts in a tri-county area (Ventura, Santa Barbara and San Luis Obispo) of which Post 48 is the largest Post between Simi Valley and Paso Robles.
